

USED MOTOR VEHICLE PARTS (EXCERPT)
Act 119 of 1986

257.1352 Record of transactions.

Sec. 2. (1) A dealer shall maintain a permanent record of each transaction concerning the buying or receiving of any used motor vehicle part from a person other than a licensee, on record of transaction forms provided for in subsection (5), legibly written in ink in the English language. Each record of transaction form shall be filled out in duplicate by the dealer or agent with 1 copy going to the customer, and 1 copy to be retained by the dealer. At the time a dealer receives or purchases a used motor vehicle part from a person other than a licensee, the dealer or agent shall accurately record all of the following information on a record of transaction form:

- (a) A general description of the used motor vehicle part received or purchased.
- (b) The vehicle identification number of the vehicle the used motor vehicle part came from.
- (c) The state of origin of the used motor vehicle part.
- (d) The date of the transaction.
- (e) The name of the person conducting the transaction for the dealer.

(f) The name, date of birth, driver's license number or state of Michigan personal identification card number, and street and house number of the person with whom the transaction is being made, together with a legible imprint of the right thumb of the person with whom the transaction is made, or if that is not possible, then the left thumb or a finger of that person. However, the thumbprint or fingerprint shall only be required on the record of transaction form retained by the dealer. The thumbprint or fingerprint shall be made available to the local police agency or the department of state police only during the course of a police investigation involving a used motor vehicle part described on the record of transaction. This paragraph shall not apply to a transaction involving an insurance company that has acquired ownership of a late model vehicle by the payment of damages due to an accident and a dealer that buys the vehicle from the insurance company for salvage.

- (g) The price paid or to be paid by the dealer for the used motor vehicle part.

(h) The form of payment made to the customer. The dealer shall indicate the number of a check, money order, or bank draft.

- (i) The signature of the person with whom the transaction is made.

(2) The record of each transaction shall be numbered consecutively, commencing with the number 1 and the calendar year.

(3) The record of transaction forms of a dealer and each used motor vehicle part received by a dealer as the result of a transaction shall be open to an inspection by the local police agency and the Michigan state police at all times during the ordinary business hours of the dealer. As a condition of doing business, a dealer shall be considered to have given consent to the inspection prescribed by this subsection. The record of transaction forms of a dealer shall not be open to inspection by the general public.

(4) Each record of a transaction shall be retained by the dealer for not less than 1 year after the transaction to which the record pertains. A dealer who goes out of business or changes his or her business address to another local jurisdiction either within or out of this state shall transmit to the local police agency the records of all transactions made by the dealer not more than 1 year before his or her closing or moving. After a period of 1 year from the date of the transaction, if a police investigation concerning a used motor vehicle part described on the record of transaction has not occurred, the dealer and local police agency shall destroy, and not keep a permanent record of, the records of the transaction.
